Our Forty-Year Legacy

1986 – 2026

As we celebrate Evesham Wood and Le Puits Sec Vineyard's 40th anniversary, we're grateful for everyone who has visited, supported, and shared our wines.

So that you can continue sharing our wines for the holidays, we've pulled together a special collection from Evesham Wood and Haden Fig, including treats from our cellar.

Whether you're opening our wines at your own table or sending them to someone else's, we hope these wines become part of a good meal, a long conversation, and a memorable evening.

Happy Holidays, and thank you for supporting
Evesham Wood and Haden Fig!
