Winemaker Notes:

2021 is another vintage that began with a warmer than average Summer (it hit 118°F in June!) but ended on a cooler than average harvest. It resulted in a vintage with the richness of '18 but with '19's pretty side — it's built on poise rather than broad shoulders.

We are very excited to release this vintage of Freedom Hill Vineyard. The Dusschees planted it in 1981 and have been farming sustainably for nearly as long. The 1 acre of 27-year old, Pommard-clone offers a great insight for those looking to learn the propulsive flavors of the rich style of the Mt. Pisgah, Polk County, Oregon AVA.
