Yeast: The Method
Native

Fermentation: Direct press of clusters, settled overnight, fermented in neutral oak.

Malolactic Conversion: Indigenous & complete

Elevage: 10 months, racked to blending tank

Oak Regimen: neutral Francois Frere barrels

Winemaker Notes:

This is our third iteration of a Pinot Gris vinified as a white wine. We combined fruit from Mahonia and Torres Bros. Vineyard, our new vineyard located outside of Dallas, OR in the foothills of the Coastal Range. It was fermented and aged on its fine lees in neutral, French barrels.

This is a leaner edition than our '21s with brighter fruit and brimming with energy. Our aim is towards the pinot gris imported from Alsace — this is a textured, aromatically-driven wine.

- Erin Nuccio
