Extraction: Twice-daily pumpover for three days followed by twice-daily punchdown  
Cuvaion: 25 days  
Elevage: 17 months  
Oak Regimen: French barrels, 15% new

## Winemaker Notes:

2021 is another vintage that began with a warmer than average Summer (it hit 118f in June!) but ended on a cooler than average harvest. It resulted in a vintage with the richness of '18 but with '19's pretty side — it's built on poise rather than broad shoulders.

While we've worked with Mahonia for decades, this was the third year that it is our monopoly and we're enjoying helping with farming and getting to use all of its fruit! This is an especially good vintage. [Finished bottling tasting needed to generate notes.]
