Winemaker Notes:

2019 is another vintage that began with a warmer than average Summer but ended on a cooler than average (measured across 2004-18) harvest. It resulted in a vintage character in line with 2017 or (our) 2013 — built on poise rather than broad shoulders.

We are very excited to release our fourth vintage of Freedom Hill Vineyard. The Dusschees planted it in 1981 and have been farming sustainably for nearly as long. The 2 acres of 24-year old, Pommard-clone offers a great insight for those looking to learn the propulsive flavors of single-clone wines when juxtaposed against the neighboring Croft vineyard.
