Winemaker Notes

2019 is another vintage that began with a warmer than average Summer but ended on a cooler than average (measured across 2004-18) harvest. It's resulted in a vintage character in line with 2017 or (our) 2013 — built on poise rather than broad shoulders.

What a gorgeous wine. The nose jumps out of the glass with concentrated aromas of plum, violet and berries. That lift and concentration carries through as the mixed berries become even more concentrated, while beautifully balanced bright acidity leads to moderate tannins on the finish. This is why I came to Le Puits Sec in 2007 and never left.
