## Winemaker Notes

2021 is another vintage that began with a warmer than average Summer (it hit 118°F in June!) but ended on a cooler than average harvest. It resulted in a vintage with the richness of '18 but with '19's pretty side — it's built on poise rather than broad shoulders.

What a gorgeous wine. The nose jumps out of the glass with concentrated aromas of plum, violet and berries. That lift and concentration carries through as the mixed berries become even more concentrated, while beautifully balanced bright acidity leads to moderate tannins on the finish. This is why I came to Le Puits Sec in 2007 and never left.
