Yeast: The Method
Native
Fermentation: Whole-cluster pressed allowed to
settle overnight and barrel-fermented
Malolactic Conversion: Indigenous & complete
Elevage: 16 months
Oak Regimen: Neutral French oak barrels (228L)

Winemaker Notes:

Fresh expressed lemon twist, Anjou pear, yellow apple, quince, and honeycomb lead into a broadly floral and subtly lactic tarte au citron. There's a firm saline tang of minerality undergirding the fruit-floral matrix above. Leaner and more focused than the '21s.

At this stage in their evolution, the '22s are reminding us of a "friendlier" version of the 2010s—exciting since that is one of our all-time favorite vintages.
