Winemaker Notes:

A truly distinctive vineyard in the Willamette Valley, Temperance Hill's signature is written in neon for all to behold; this is why we, and so many of our trusted colleagues, seek its fruit. In our cellar, Temperance contributes flourishes of freshly sawn cedar, green tobacco, and savory pink peppercorns and in '23, they produce aromatic fireworks, highlighting a basket of wild red berries in both scents and flavors. A lovely match of silken and spicy, our '23 TH will live long in cool cellars.

The 2023s have a similar structure to 2015s—a wonderful vintage with classic, age-worthy wines. But the '23s have more lift, brighter fruit, and the layers of complexity are more transparent, the Pinot Noirs more extroverted.
